

Rekonstrukce ulice Chrjukinova, Ostrava–Zábřeh

A photograph of a young child riding a black scooter on a paved path. The child is wearing a bright green jacket, dark pants, and a blue and white patterned hat. The path is made of grey paving stones and curves to the right. In the background, there are several multi-story residential buildings, some with balconies. A red car is parked on the right side of the path, and a black car is parked further back. The area is surrounded by green grass and bare trees, suggesting a cool season. The sky is clear and blue.
